

Tuesday 24th March 2020

School Closure due to Coronavirus COVID 19

Dear Parents & Guardians,

Following a consultation process today with the Board of Governors, a Risk Assessment has been completed and we have now been forced to close the school for all children from today Tuesday 24th March at 3pm until further notice. We have tried over these past few days to provide a skeleton service for the children of this community whose parents are providing essential services at this very difficult time, however the level of risk to staff and their families has been considered by the Governors to be very significant and the difficult decision has been taken to close.

With regard to the length of this closure, I will continue to keep you informed by text message with further more comprehensive information available on the school website.

Please do what you can to take care of your children and your families at this unprecedented time of challenge and follow the important guidance from the authorities.

Again, I wish you every blessing and hope that we will all be back enjoying life at The Good Shepherd as soon as possible.

Kind Regards,

Mr D O'Neill

School Principal

Principal : Mr Damian O'Neill
