

FRIENDS OF GOOD SHEPHERD

Parent-Led PTA

**Join our community of parents
making a difference!**

Friends of Good Shepherd is a parent-run association dedicated to supporting our school through fun events, fundraising, and community activities. Together, we help create better play experiences, outdoor learning opportunities, and enriching school events for our children.

We're looking for parents like YOU!

Come along, share your ideas, and help plan exciting events for our school community — from fairs and discos to creative outdoor projects.

**Every helping hand
makes a difference!**

Let's build something amazing
for our children – together.
